

2023 Charity Golf Fundraiser Sponsor Deck

In 2013, Elena created the Elena Delle Donne Charitable Foundation. The mission of the Elena Delle Donne Charitable Foundation is to raise funds for and awareness of Lyme Disease research, special needs programs and animal welfare work. The Foundation believes that individuals and animals have the right to be treated with compassion, respect and dignity, and seeks to improve the quality of life for all.

Elena is the global ambassador to the Special Olympics and became the first national ambassador for the Lyme Research Alliance. Both have a special place in her life; her older sister Lizzie has special needs and Elena has been battling Lyme disease on a daily basis since 2008. Both, also, are a regular motivation for her and are a constant inspiration to be the best athlete possible.
